

President's Message:

Six down and six to go. Months that is. We are half way through 2007 and the best is yet to come.

We had a great Eurocar 2007 show just a few weeks ago. Thanks go out to all the club volunteers who made this show the best one yet. The weather, the cars, the bikes and the people - we can't ask for anything more.

As of the show date, June 17th, we added 20 new family memberships to our roster. We only can grow as a club if we increase our membership numbers, and, more important, increase the numbers of participating members. Let's all get involved.

Hopefully, you picked up this copy of our newsletter at our July picnic/meeting. If not, you'll read about the great time we had in next month's newsletter. Our picnic/meeting is only one of many activities we do as a club. We are still looking for ideas for events and members to host those events. Hosting an event is simple. All it means is having an idea for an event, maybe a place to eat along the way and doing what we do best - having fun. I'm encouraging any members, new as well as current, to submit event suggestions and ideas.

This newsletter is your club newsletter, and it is the communication with club members who don't always attend our meeting or events. It is the medium that brings our club together, a bonding in print. With that said, we are always looking for articles to print. Anything that is fit to print can be printed. Restoration projects, road trips with your car, family member happenings, about anything that you would like to share or possibility entertain others with is fair game.

Let's not forget our recipe column. Send Sue Sanborn any recipes you would like to share with others. Did you find a recipe that you have not tried yet and are looking for a guinea pig? Send it in. Are you looking for a particular recipe and have had trouble locating it? Send that in. Mail Sue recipes or recipe requests she'll put these in our newsletter to share with others.

Let's also not forget our member-classified area in the newsletter. If you have something to sell and would like to offer it to our members, send the information to our editor, Tom Ross. Items can be household related as well as auto related.

The weather is on our side. Drive, eat and enjoy life.

Enjoy your ride.

Mike

RECIPE CORNER -

Creamsicle Salad

- 3c. Water
- 1 pkg. cook 'n serve Vanilla pudding mix
- 1 pkg. cook 'n serve Tapioca pudding mix

Boil water. Add both pudding mixes and Jello mix. Stir completely with wire whisk. Bring to boil again. Remove from heat and stir. Let cool completely. Stir in Cool Whip and oranges (if desired).
